

<p>Renewable Resource Power Service (General Service Classification)</p>	
<p>SCHEDULE R (Rate Title or Number)</p>	<p>Company Rate Code</p>
<p><u>AVAILABILITY</u></p> <p>Available to Consumer's receiving service under any of the Association's rate schedules who agree to purchase blocks of renewable energy. Not applicable for resale.</p>	
<p><u>TYPE OF SERVICE</u></p> <p>Members may elect to purchase monthly renewable energy in 100 kilowatt hour (kWh) blocks up to 100% of their average monthly usage.</p>	
<p><u>MONTHLY BILLING</u></p> <p>The monthly billing shall be the number of 100 kWh blocks of renewable energy the consumer has agreed to purchase multiplied by the charge per block. This monthly charge is in addition to all other charges contained in Consumer's applicable tariff schedule. This charge shall be applied to Consumer's monthly billing regardless of actual energy consumption.</p>	
<p><u>SPECIAL CONDITIONS</u></p> <p>Consumer's who agree to purchase monthly renewable energy under this schedule will specify the number of 100 kWh blocks to be purchased monthly.</p>	
<p><u>RULES AND REGULATIONS</u></p> <p>Service supplied under this rate schedule is subject to the terms and conditions of the Association.</p>	
<p>Charge per 100 kWh Block</p> <p>100 kWh Block Rate will be based on annual pricing for RECs from wholesale power provider's Rate Schedule R</p>
