

**TRI-STATE GENERATION & TRANSMISSION ASSOCIATION, Inc.
ENERGY EFFICIENCY PRODUCTS FACT SHEET**

VARIABLE SPEED DRIVE RETROFIT⁶

GENERAL INFORMATION

- No other Tri-State Energy Efficiency Products or special rate/discount shall apply.
- Applies to the installation of:
 - **Variable frequency drives** retrofit onto existing equipment such as irrigation wells or industrial machinery
 - New motors may be installed at the same time and may qualify for a separate motor rebate.
 - Replacement of existing VSDs for maintenance or other purposes does not qualify for an incentive.
- An Energy Efficiency Products Application/Certification is required.
- Member Systems are typically required to report these incentives to the IRS using a 1099 form.
- No Member System matching payment is required.

EFFICIENCY STANDARDS

- No requirements at this time
