

Member Comments and Questions

An opportunity is provided at each Board meeting for members to discuss issues of concern that do not appear elsewhere on the agenda. Each person wishing to address the Board is allotted a maximum of five (5) minutes, and a total of 30 minutes is allotted for public participation at any one board meeting.

Members with concerns are first directed to meet with the CEO or his designee(s) to attempt to resolve any issue before appearing before the Board.

If an item brought up in this manner is determined to require additional discussion or action, it will be placed on the agenda for the next month's Board meeting.

Please fill out this form and submit to info@secpa.com 14 calendar days prior to the next Board meeting if you wish to address the Board.
